ARTICLE II

THE BONDS

SECTION 2.01. *Authorization; Series Resolutions.* (i) Bonds in the aggregate principal amount of Thirty Million Dollars (\$30,000,000) are hereby authorized by the District to be issued by the District under and subject to the terms of the Bond Law, this Resolution, and the applicable Series Resolution, for the purpose of raising money for the purposes specified in the Bond Proposition, and to pay the Costs of Issuance in

connection therewith. This Resolution constitutes a continuing agreement between the District and the Owners of all of the Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal of and interest and premium, if any, on all Bonds which may be Outstanding hereunder, subject to the covenants, agreements, provisions and conditions herein contained.

(ii) The Bonds shall be designated the "Rosemead School District (County of Los Angeles, California) General Obligation Bonds, Election 2008, Series (tbd)___", with the Series designation to be specified in the applicable Series Resolution. The Series Resolution shall identify the principal amount of the Series of Bonds to be issued and sold at that time, the method of selling the Series of Bonds, shall approve the Official Statement for such Series of Bonds, and such other terms and conditions as the Board shall determine at the time of adoption of the Series Resolution.

SECTION 2.02. *Terms of Bonds.*

(a) Form; Numbering. The Bonds shall be issued as fully registered Bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Bonds maturing in the year of maturity of the Bond for which the denomination is specified. Bonds shall be lettered and numbered as the Paying Agent shall prescribe.

(b) Date of Bonds. The Bonds shall be dated as of the Closing Date of each Series of Bonds.

(c) CUSIP Identification Numbers. "CUSIP" identification numbers shall be imprinted on the Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Bonds shall not constitute an event of default or any violation of the District's contract with such Owners and shall not impair the effectiveness of any such notice.

(d) Maturities; Interest. The Bonds shall mature (or, alternatively, be subject to mandatory sinking fund redemption as hereinafter provided) on the dates and in the amounts as determined upon the sale thereof.

Each Bond shall bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it shall bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the preceding Record Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated on or before the first Record Date, in which event it shall

bear interest from the dated date of the Bonds; *provided, however*, that if at the time of authentication of a Bond, interest is in default thereon, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(e) Payment. Interest on the Bonds (including the final interest payment upon maturity or redemption) is payable by check or draft of the Paying Agent mailed to the Owner thereof at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; provided that at the written request of the Owner of at least \$1,000,000 aggregate principal amount of the Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Bonds shall be paid on the succeeding Interest Payment Date to such account as shall be specified in such written request. Principal of and premium (if any) on the Bonds is payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent.

SECTION 2.03. *Redemption*.

(a) Redemption Dates and Prices. The Bonds shall be subject to redemption prior to their respective stated maturities, in the years and at the redemption prices set forth in the Official Statement for such Series of Bonds.

(b) Mandatory Sinking Fund Redemption. In the event and to the extent specified by the Original Purchaser in its bid for the Bonds, any maturity of Bonds shall be designated as "Term Bonds" and shall be subject to mandatory sinking fund redemption on August 1 in each of the years and in the respective principal amounts as set forth in such bid, at a redemption price equal to one hundred percent (100%) of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If some but not all of the Term Bonds have been redeemed pursuant to the preceding subsection (a) of this Section, the aggregate principal amount of such Term Bonds to be redeemed in each year pursuant to this subsection (b) shall be reduced on a pro rata basis in integral multiples of \$5,000, as shall be designated pursuant to a Written Request of the District filed with the Paying Agent.

(c) Selection of Bonds for Redemption. Whenever less than all of the Outstanding Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Bond shall be deemed to consist of individual Bonds of \$5,000 denominations each, which may be separately redeemed.

(d) Redemption Procedure. The Paying Agent shall cause notice of any redemption to be mailed by first class mail, postage prepaid, at least thirty (30) days but

not more than sixty (60) days prior to the date fixed for redemption, to (i) one or more of the Information Services, and (ii) to the respective Owners of any Bonds designated for redemption, at their addresses appearing on the Registration Books; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice shall not affect the validity of the proceedings for the redemption of such Bonds. In addition, notice of redemption shall be given by telecopy or certified, registered or overnight mail to each of the Securities Depositories at least two (2) days prior to such mailing to the Bond Owners.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Bonds are to be called for redemption, shall designate the serial numbers of the Bonds to be redeemed by giving the individual number of each Bond or by stating that all Bonds between two stated numbers, both inclusive, or by stating that all of the Bonds of one or more maturities have been called for redemption, and shall require that such Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

Upon surrender of Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption shall have been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Bonds so called for redemption shall have been duly provided, such Bonds shall cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date specified in such notice. All Bonds redeemed pursuant to this Section 2.03 shall be canceled by the Paying Agent, and a certificate or other evidence of such cancellation shall be submitted by the Paying Agent to the District.

SECTION 2.04. *Form of Bonds.* The Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon shall be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution, as are set forth in Exhibit A attached hereto.

SECTION 2.05. *Execution of Bonds.* The Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Secretary of the Board, and the seal of the Board shall be reproduced thereon. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or

benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent.

Only such Bonds as shall bear thereon a certificate of authentication and registration in the form set forth in Exhibit A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

SECTION 2.06. *Transfer of Bonds.* Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Bond issued upon any transfer.

Whenever any Bond or Bonds shall be surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. No transfers of Bonds shall be required to be made (a) fifteen (15) days prior to the date established by the Paying Agent for selection of Bonds for redemption or (b) with respect to a Bond which has been selected for redemption.

SECTION 2.07. *Exchange of Bonds.* Bonds may be exchanged at the Office of the Paying Agent for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity. The District may charge a reasonable sum for each new Bond issued upon any exchange (except in the case of any exchange of temporary Bonds for definitive Bonds). No exchanges of Bonds shall be required to be made (a) fifteen (15) days prior to the date established by the Paying Agent for selection of Bonds for redemption or (b) with respect to a Bond which has been selected for redemption.

SECTION 2.08. *Registration Books.* The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Bonds as herein before provided.

SECTION 2.09. *Book-Entry System.* Except as provided below, the Owner of all of the Bonds shall be DTC, and the Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Bonds shall be initially executed and delivered in the form of a single fully registered Bond for each maturity date of the Bonds in the full aggregate principal amount of the Bonds maturing on such date. The Paying Agent and the

District may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District shall not have any responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Bonds. The District shall cause to be paid all principal and interest with respect to the Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Bonds. In such event, the District shall issue, transfer and exchange Bonds as requested by DTC and any other owners in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Bonds evidencing the Bonds to any Depository System Participant having Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided as in the representation letter delivered on the date of issuance of the Bonds.

SECTION 2.10. *Bonds Mutilated, Lost, Destroyed or Stolen.* If any Bond shall become mutilated the District, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like maturity and principal amount in exchange and substitution for the Bond so mutilated, but only

upon surrender to the Paying Agent of the Bond so mutilated. Every mutilated Bond so surrendered to the Paying Agent shall be canceled by it and delivered to, or upon the order of, the District. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the District and, if such evidence be satisfactory to the District and indemnity satisfactory to it shall be given, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like maturity and principal amount in lieu of and in substitution for the Bond so lost, destroyed or stolen. The District may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section and of the expenses which may be incurred by the District and the Paying Agent in the premises. Any Bond issued under the provisions of this Section 2.10 in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the District whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Resolution with all other Bonds issued pursuant to this Resolution.

Notwithstanding any other provision of this Section 2.10, in lieu of delivering a new Bond for which principal has or is about to become due for a Bond which has been mutilated, lost, destroyed or stolen, the Paying Agent may make payment of such Bond in accordance with its terms.

Section 2.11. Institution of Judicial Validation Proceedings. The Board of Trustees hereby authorizes the filing of an action to determine the validity of the Bonds, this Resolution and related matters in the Superior Court of Los Angeles County, under the provisions of Sections 860 *et seq.* of the Code of Civil Procedure of the State of California. Jones Hall, A Professional Law Corporation, as bond counsel to the District for the Bonds, is hereby directed, to prepare and cause to be filed and prosecuted to completion all proceedings required for the judicial validation of the Bonds, this Resolution and related matters.

The proceeds from the sale of each Series of the Bonds, to the extent required pursuant to Section 3.02(b), shall be deposited in and credited to the Building Fund for such Series, and shall be expended by the District solely for the acquisition or improvement of real property for which the Bond proceeds are authorized to be expended pursuant to the Bond Proposition, and for payment of Costs of Issuance, to the extent not paid from original issuance premium. All interest and other gain arising from the investment of amounts deposited to the Building Fund shall be retained in the Building Fund and used for the purposes thereof. At the Written Request of the District filed with the County, any amounts remaining on deposit in the Building Fund and not needed for the purposes thereof shall be withdrawn from the Building Fund and transferred to the Debt Service Fund, to be applied to pay the principal of and interest on the Bonds.

ARTICLE IV

SECURITY FOR THE BONDS; DEBT SERVICE FUND

SECTION 4.01. *Security for the Bonds.* The Bonds shall be general obligations of the District payable from the levy of *ad valorem* taxes upon all property within the District subject to taxation by the District, without limitation as to rate or amount, for the payment of the Bonds and the interest and redemption premium (if any) thereon. The District hereby directs the County to levy on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are Outstanding in an amount sufficient to pay the principal of and interest and redemption premium (if any) on the Bonds when due, including the principal of any Term Bonds upon the mandatory sinking fund redemption thereof pursuant to Section 2.03(b), which moneys when collected will be placed in the Debt Service Fund.

The principal of and interest and redemption premium (if any) on Bonds shall not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents or employees thereof, and neither the County, the State of California, any of its political subdivisions nor any of the officers, agents or employees thereof shall be liable thereon. In no event shall the principal of and interest and redemption premium (if any) on Bonds be payable out of any funds or properties of the District other than *ad valorem* taxes levied upon the taxable property in the District.

SECTION 4.02. *Debt Service Fund.* The District hereby directs the Treasurer and Tax Collector of the County to establish, hold and maintain a fund for each Series of the Bonds, to be known as the "Rosemead School District Series __ General Obligation Bond Debt Service Fund", which shall be maintained by the County as a separate account, distinct from all other funds of the County and the District. All taxes levied by the County, as directed by the District herein, for the payment of the principal of and interest and premium (if any) on the Bonds in accordance with Section 4.01 shall be deposited in the Debt Service Fund by the County promptly upon apportionment of said levy. The Debt Service Fund shall be pledged for the payment of the principal of and interest on the Bonds when and as the same become due, including the principal of any Term Bonds required to be paid upon the mandatory sinking fund redemption thereof pursuant to Section 2.03(b). The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest and redemption premium (if any) on the Bonds as the same become due and payable, shall be transferred by the County to the Paying Agent upon the Written Request of the District filed with the County, as

required to pay the principal of and interest and redemption premium (if any) on the Bonds.

If, after payment in full of the Bonds, any amounts remain on deposit in the Debt Service Fund, such amounts shall be transferred by the County to the general fund of the District, upon the Written Request of the District filed with the County, to be applied solely in a manner which is consistent with the requirements of applicable state and federal tax law.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the fund or account from which such investment was made, and shall be expended for the purposes thereof. The District covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing proceeds of the Bonds, shall be acquired and disposed of at the Fair Market Value thereof. For purposes of this Section 4.03, the term "Fair Market Value" shall mean, with respect to any investment, the price at which a willing buyer would purchase such investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as described above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security - State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

ARTICLE V

OTHER COVENANTS OF THE DISTRICT

SECTION 5.01. *Punctual Payment.* The District will punctually pay, or cause to be paid, the principal of and interest and redemption premium (if any) on the Bonds, in

strict conformity with the terms of the Bonds and of this Resolution, and it will faithfully observe and perform all of the conditions, covenants and requirements of this Resolution and of the Bonds. Nothing herein contained shall prevent the District from making advances of its own moneys howsoever derived to any of the uses or purposes permitted by law.

SECTION 5.02. *Extension of Time for Payment.* In order to prevent any accumulation of claims for interest after maturity, the District will not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Bonds and will not, directly or indirectly, approve any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the District, such claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Resolution, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have so extended or funded.

SECTION 5.03. *Books and Accounts; Financial Statement.* The District will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the District in which complete and correct entries shall be made of all transactions relating to the Project. SECTION 5.04. *Protection of Security and Rights of Bond Owners.* The District will preserve and protect the security of the Bonds and the rights of the Bond Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Bonds by the District, the Bonds shall be incontestable by the District.

SECTION 5.05. *Tax Covenants.*

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the County or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The District shall calculate or cause to be calculated excess investment earnings with respect to the Bonds which are required to be rebated to the United States of America pursuant to Section 148(f) of the Tax Code, and shall pay the full amount of such excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required pursuant to the Tax Code, in the event and to the extent such Section 148(f) is applicable to the Bonds. Such payments shall be made by the District from any source of legally available funds of the District. The District shall keep or cause to be kept, and retain or cause to be retained for a period of six (6) years following the retirement of the Bonds, records of the determinations made pursuant to this subsection (e). In order to provide for the administration of this subsection (e), the District may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the District may deem appropriate.

SECTION 5.06. *Continuing Disclosure*. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate for each Series of the Bonds, which shall be executed by a District Representative and delivered on the Closing Date for the applicable Series of Bonds. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered a default by the District hereunder or under the Bonds; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

SECTION 5.07. *Further Assurances*. The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Resolution.

ARTICLE VI

THE PAYING AGENT

SECTION 6.01. *Appointment of Paying Agent.* The Treasurer and Tax Collector of the County is hereby appointed to act as Paying Agent for the Bonds and, in such capacity, shall also act as registration agent and authentication agent for the Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by executing and delivering to the District a certificate to that effect.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section 6.01 the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent shall become effective upon acceptance of appointment by the successor Paying Agent.

SECTION 6.02. *Paying Agent May Hold Bonds.* The Paying Agent may become the owner of any of the Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

SECTION 6.03. *Liability of Agents.* The recitals of facts, covenants and agreements herein and in the Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent shall not be liable in

connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent shall not be liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 6.04. *Notice to Paying Agent.* The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

SECTION 6.05. *Compensation; Indemnification.* The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this

Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

ARTICLE VII

REMEDIES OF BOND OWNERS

SECTION 7.01. *Remedies of Bond Owners.* Any Bond Owner shall have the right, for the equal benefit and protection of all Bond Owners similarly situated:

(a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;

(b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Bond Owners' rights; or

(c) upon the happening and continuation of any default by the District hereunder or under the Bonds, by suit, action or proceeding in any court of competent jurisdiction, to require the District and its members and employees to account as if it and they were the trustees of an express trust.

SECTION 7.02. *Remedies Not Exclusive.* No remedy herein conferred upon the Owners of Bonds shall be exclusive of any other remedy and that each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereafter conferred on the Bond Owners.

ARTICLE VIII

AMENDMENT OF THIS RESOLUTION

SECTION 8.01. *Amendments Effective Without Consent of the Owners.* For any one or more of the following purposes and at any time or from time to time, a Supplemental

Resolution of the District may be adopted, which, without the requirement of consent of the Owners of the Bonds, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To confirm, as further assurance, any pledge under, and to subject to any lien or pledge created or to be created by, this Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(c) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution, which in any event shall not materially adversely affect the interests of the Bond Owners, in the opinion of Bond Counsel filed with the District; or

(d) To make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds.

SECTION 8.02. *Amendments Effective With Consent of the Owners.* Any modification or amendment of this Resolution and of the rights and obligations of the District and of the Owners of the Bonds, in any particular, may be made by a Supplemental Resolution, with the written consent of the Owners of a majority in aggregate principal amount of the Bonds Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of maturity of the principal of any Outstanding Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, or shall reduce the percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change any of the provisions in Section 7.01 relating to Events of Default, or shall reduce the amount of moneys pledged for the repayment of the Bonds without the consent of all the Owners of such Bonds, or shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. *Benefits of Resolution Limited to Parties.* Nothing in this Resolution, expressed or implied, is intended to give to any person other than the District, the County, the Paying Agent and the Owners of the Bonds, any right, remedy, claim under

or by reason of this Resolution. Any covenants, stipulations, promises or agreements in this Resolution contained by and on behalf of the District shall be for the sole and exclusive benefit of the County, the Paying Agent and the Owners of the Bonds, as their interest may appear.

SECTION 9.02. *Defeasance.*

(a) Payment of Bonds; Discharge of Resolution. Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

(i) by paying or causing to be paid the principal or redemption price of and interest on such Bonds, as and when the same become due and payable;

(ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Bonds; or

(iii) by delivering such Bonds to the Paying Agent for cancellation by it.

If the District shall pay all Outstanding Bonds and shall also pay or cause to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Bonds shall not have been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In such event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Bond (whether upon or prior to its maturity or the redemption date of such Bond), provided that, if such Bond is to be redeemed prior to maturity, notice of such redemption shall have been given as provided in

Section 2.03 or provision satisfactory to the Paying Agent shall have been made for the giving of such notice, then all liability of the District in respect of such Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may be held by the Paying Agent or by any other fiduciary. Such money or securities may include money or securities held by the Paying Agent in the funds and accounts established pursuant to this Resolution and shall be:

(i) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption shall have been given as provided in Section 2.03 or provision satisfactory to the Paying Agent shall have been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Bonds and all unpaid interest thereon to the redemption date; or

(ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in Section 2.03 or provision satisfactory to the Paying Agent shall have been made for the giving of such notice.

(d) Transfer of Funds to District After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Bonds and remaining unclaimed for one (1) year after the principal of all of the Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such

date, or one (1) year after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

SECTION 9.03. *Execution of Documents and Proof of Ownership by Bond Owners.* Any request, declaration or other instrument which this Resolution may require or permit to be executed by Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

SECTION 9.04. *Waiver of Personal Liability.* No Board of Trustees member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Bonds; but nothing herein contained shall relieve any such Board of Trustees member, officer, agent or employee from the performance of any official duty provided by law.

SECTION 9.05. *Limited Duties of County; Indemnification.* The County (including its officers, agents and employees) shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution, and even during the

continuance of an event of default with respect to the Bonds, no implied covenants or obligations shall be read into this Resolution against the County (including its officers, agents and employees).

The District further agrees to indemnify, defend and save the County (including its officers, agents and employees) harmless against any and all liabilities, costs, expenses, damages and claims which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 9.06. *Destruction of Canceled Bonds.* Whenever in this Resolution provision is made for the surrender to the District of any Bonds which have been paid or canceled pursuant to the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Bonds therein referred to.

SECTION 9.07. *Partial Invalidity.* If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief business official of the District in trust for the benefit of the Bond Owners.

SECTION 9.08. *Execution of Documents.* The Superintendent, the Business Manager, the Secretary of the Board and any and all other officers of the District are each authorized and directed in the name and on behalf of the District to execute and deliver any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Bonds. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf in the case such officer shall be absent or unavailable.

SECTION 9.09. *Effective Date of Resolution.* This Resolution shall take effect from and after the date of its passage and adoption.

GENERAL OBLIGATION BONDS
ELECTION 2008, SERIES __

INTEREST RATE:	MATURITY DATE:	DATED DATE:	CUSIP
_____% per annum			

REGISTERED OWNER:

PRINCIPAL AMOUNT:

The Rosemead School District (the "District"), located in Los Angeles County, California (the "County"), for value received, hereby promises to pay to the Registered Owner named above, or registered assigns, the Principal Amount on the Maturity Date, each as stated above, and interest thereon, calculated on a 30/360 day basis, until the Principal Amount is paid or provided for, at the Interest Rate stated above, such interest to be paid on February 1 and August 1 of each year, commencing August 1, 2009 (the "Interest Payment Dates"). This Bond will bear interest from the Interest Payment Date next preceding the date of authentication hereof, unless (a) it is authenticated as of a business day following the 15th day of the month immediately preceding any Interest Payment Date and on or before such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (b) it is authenticated on or before July 15, 2009, in which event it shall bear interest from the Dated Date set forth above. Principal, interest and redemption premium (if any) are payable in lawful money of the United States of America to the person in whose name this Bond is registered (the "Registered Owner") on the Bond registration books maintained by the Paying Agent, initially U.S. Bank National Association, as agent of the Treasurer and Tax Collector of the County of Los Angeles. Principal hereof and any redemption premium hereon are payable upon presentation and surrender of this Bond at the office of the Paying Agent.

Interest hereon is payable by check mailed by the Paying Agent on each Interest Payment Date to the Registered Owner of this Bond by first-class mail at the address appearing on the Bond registration books at the close of business on the 15th day of the calendar month next preceding such Interest Payment Date (the "Record Date"); *provided, however*, that at the written request of the registered owner of Bonds in an aggregate principal amount of at least \$1,000,000, which written request is on file with the Paying Agent prior to any Record Date, interest on such Bonds shall be paid on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as shall be specified in such written request.

This Bond is one of a series of \$30,000,000 of Bonds issued for the purpose of raising money for the acquisition, construction and rehabilitation of school facilities, and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, and the requisite 55% vote of the electors of the District cast at a special bond election held on November 4, 2008, upon the question of issuing Bonds in the amount of \$30,000,000, and pursuant to the resolution of the Board of Trustees of the District adopted on January 15, 2009 (the "Bond Resolution"). This Bond and the issue of which this Bond is a part are payable as to both principal and interest from the proceeds of the levy of *ad valorem* taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount.

The principal of and interest and redemption premium, if any, on this Bond does not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents and employees thereof, and neither the County, the State of California, any of its political subdivisions, nor any of the officers, agents and employees thereof shall be liable hereon. In no event shall the principal of and interest and redemption premium, if any, on this Bond be payable out of any funds or properties of the District other than *ad valorem* taxes levied upon all taxable property in the District.

The Bonds of this issue are issuable only as fully registered Bonds in the denominations of \$5,000 or any integral multiple thereof. This Bond is exchangeable and transferable for Bonds of other authorized denominations at the office of the Paying Agent, by the Registered Owner or by a person legally empowered to do so, upon presentation and surrender hereof to the Paying Agent, together with a request for exchange or an assignment signed by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. Any tax or governmental charges shall be paid by the transferor. The District and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this Bond for the purpose of receiving payment of or on account of principal or interest and for all other purposes,

and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

The Bonds maturing on or before August 1, 20__, are not subject to redemption prior to their respective stated maturities. The Bonds maturing on or after August 1, 20__, are subject to redemption prior to maturity as a whole, or in part among maturities on such basis as shall be designated by the District and by lot within a maturity, at the option of the District, from any available source of funds, on August 1, 20__, and on any Interest Payment Date thereafter, at a redemption price (expressed as a percentage of the principal amount of Bonds to be redeemed) as set forth in the following table, together with accrued interest thereon to the date fixed for redemption.

ARTICLE II

THE SERIES D BONDS

SECTION 2.01. *Authorization.* Series D Bonds in the aggregate principal amount of Five Million Dollars (\$5,000,000) are hereby authorized by the District to be issued by the District under and subject to the terms of the Bond Law and this Resolution, for the purpose of raising money for the acquisition or improvement of real property in accordance with the proposition authorizing the issuance of the Bonds, and to pay the Costs of Issuance in connection therewith. This Resolution constitutes a continuing agreement between the District and the Owners of all of the Series D Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal of and interest and premium, if any, on all Series D Bonds which may be Outstanding hereunder, subject to the covenants, agreements, provisions and conditions herein contained. The Series D Bonds shall be designated the "Rosemead School District (County of Los Angeles, California) General Obligation Bonds, Election 2000, Series D".

SECTION 2.02. *Terms of Series D Bonds.*

(a) Form; Numbering. The Series D Bonds shall be issued as fully registered Bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Series D Bonds maturing in the year of maturity of the Series D Bond for which the denomination is specified. Series D Bonds shall be lettered and numbered as the Paying Agent shall prescribe.

(b) Date of Series D Bonds. The Series D Bonds shall be dated as of the Closing Date.

(c) CUSIP Identification Numbers. "CUSIP" identification numbers shall be imprinted on the Series D Bonds, but such numbers shall not constitute a part of the contract evidenced by the Series D Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Series D Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Series D Bonds shall not constitute an event of default or any violation of the District's contract with such Owners and shall not impair the effectiveness of any such notice.

(d) Maturities; Interest. The Series D Bonds shall mature (or, alternatively, be subject to mandatory sinking fund redemption as hereinafter provided) on the dates and in the amounts as determined upon the sale thereof.

Each Series D Bond shall bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is

authenticated as of an Interest Payment Date, in which event it shall bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the preceding Record Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated on or before the first Record Date, in which event it shall bear interest from the dated date of the Series D Bonds; *provided, however,* that if at the time of authentication of a Series D Bond, interest is in default thereon, such Series D Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(e) Payment. Interest on the Series D Bonds (including the final interest payment upon maturity or redemption) is payable by check or draft of the Paying Agent mailed to the Owner thereof at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; provided that at the written request of the Owner of at least \$1,000,000 aggregate principal amount of the Series D Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Series D Bonds shall be paid on the succeeding Interest Payment Date to such account as shall be specified in such written request. Principal of and premium (if any) on the Series D Bonds is payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent.

SECTION 2.03. *Redemption.*

(a) Redemption Dates and Prices. The Series D Bonds shall be subject to redemption prior to their respective stated maturities, in the years and at the redemption prices set forth in the Official Statement.

(b) Mandatory Sinking Fund Redemption. In the event and to the extent specified by the Original Purchaser in its bid for the Series D Bonds, any maturity of Series D Bonds shall be designated as "Term Bonds" and shall be subject to mandatory sinking fund redemption on August 1 in each of the years and in the respective principal amounts as set forth in such bid, at a redemption price equal to one hundred percent (100%) of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If some but not all of the Term Series D Bonds have been redeemed pursuant to the preceding subsection (a) of this Section, the aggregate principal amount of such Term Series D Bonds to be redeemed in each year pursuant to this subsection (b) shall be reduced on a pro rata basis in integral multiples of \$5,000, as shall be designated pursuant to a Written Request of the District filed with the Paying Agent.

(c) Selection of Series D Bonds for Redemption. Whenever less than all of the Outstanding Series D Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Series D Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such

selection, each Series D Bond shall be deemed to consist of individual Series D Bonds of \$5,000 denominations each, which may be separately redeemed.

(d) Redemption Procedure. The Paying Agent shall cause notice of any redemption to be mailed by first class mail, postage prepaid, at least thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption, to (i) one or more of the Information Services, and (ii) to the respective Owners of any Series D Bonds designated for redemption, at their addresses appearing on the Registration Books; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice shall not affect the validity of the proceedings for the redemption of such Series D Bonds. In addition, notice of redemption shall be given by telecopy or certified, registered or overnight mail to each of the Securities Depositories at least two (2) days prior to such mailing to the Series D Bond Owners.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Series D Bonds are to be called for redemption, shall designate the serial numbers of the Series D Bonds to be redeemed by giving the individual number of each Series D Bond or by stating that all Series D Bonds between two stated numbers, both inclusive, or by stating that all of the Series D Bonds of one or more maturities have been called for redemption, and shall require that such Series D Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Series D Bonds will not accrue from and after the redemption date.

Upon surrender of Series D Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Series D Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Series D Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption shall have been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Series D Bonds so called for redemption shall have been duly provided, such Series D Bonds shall cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date specified in such notice. All Series D Bonds redeemed pursuant to this Section 2.03 shall be canceled by the Paying Agent, and a certificate or other evidence of such cancellation shall be submitted by the Paying Agent to the District.

SECTION 2.04. *Form of Series D Bonds.* The Series D Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon shall be substantially in the forms, respectively, with necessary or

appropriate variations, omissions and insertions, as permitted or required by this Resolution, as are set forth in Exhibit A attached hereto.

SECTION 2.05. *Execution of Series D Bonds.* The Series D Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Secretary of the Board, and the seal of the Board shall be reproduced thereon. No Series D Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Series D Bond is signed by the Paying Agent as authenticating agent.

Only such Series D Bonds as shall bear thereon a certificate of authentication and registration in the form set forth in Exhibit A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Series D Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

SECTION 2.06. *Transfer of Series D Bonds.* Any Series D Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series D Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Series D Bond issued upon any transfer.

Whenever any Series D Bond or Bonds shall be surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Series D Bond or Bonds, for like aggregate principal amount. No transfers of Series D Bonds shall be required to be made (a) fifteen (15) days prior to the date established by the Paying Agent for selection of Series D Bonds for redemption or (b) with respect to a Series D Bond which has been selected for redemption.

SECTION 2.07. *Exchange of Series D Bonds.* Series D Bonds may be exchanged at the Office of the Paying Agent for a like aggregate principal amount of Series D Bonds of authorized denominations and of the same maturity. The District may charge a reasonable sum for each new Series D Bond issued upon any exchange (except in the case of any exchange of temporary Series D Bonds for definitive Series D Bonds). No exchanges of Series D Bonds shall be required to be made (a) fifteen (15) days prior to the date established by the Paying Agent for selection of Series D Bonds for redemption or (b) with respect to a Series D Bond which has been selected for redemption.

SECTION 2.08. *Registration Books.* The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Series D Bonds, which shall

at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Series D Bonds as herein before provided.

SECTION 2.09. *Book-Entry System.* Except as provided below, the Owner of all of the Series D Bonds shall be DTC, and the Series D Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Series D Bonds shall be initially executed and delivered in the form of a single fully registered Series D Bond for each maturity date of the Series D Bonds in the full aggregate principal amount of the Series D Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Series D Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District shall not have any responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Series D Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Series D Bonds. The District shall cause to be paid all principal and interest with respect to the Series D Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Series D Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Series D Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Series D Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Series D Bonds. In such event, the District shall issue, transfer and exchange Series D Bonds as requested by DTC and any other owners in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Series D Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Series D Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Series D Bonds evidencing the Series D Bonds to any Depository System Participant having Series D

Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Series D Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Series D Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Series D Bond and all notices with respect to such Series D Bond shall be made and given, respectively, to DTC as provided as in the representation letter delivered on the date of issuance of the Series D Bonds.

SECTION 2.10. *Series D Bonds Mutilated, Lost, Destroyed or Stolen.* If any Series D Bond shall become mutilated the District, at the expense of the Owner of said Series D Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Series D Bond of like maturity and principal amount in exchange and substitution for the Series D Bond so mutilated, but only upon surrender to the Paying Agent of the Series D Bond so mutilated. Every mutilated Series D Bond so surrendered to the Paying Agent shall be canceled by it and delivered to, or upon the order of, the District. If any Series D Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the District and, if such evidence be satisfactory to the District and indemnity satisfactory to it shall be given, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Series D Bond of like maturity and principal amount in lieu of and in substitution for the Series D Bond so lost, destroyed or stolen. The District may require payment of a sum not exceeding the actual cost of preparing each new Series D Bond issued under this Section and of the expenses which may be incurred by the District and the Paying Agent in the premises. Any Series D Bond issued under the provisions of this Section 2.10 in lieu of any Series D Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the District whether or not the Series D Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Resolution with all other Series D Bonds issued pursuant to this Resolution.

Notwithstanding any other provision of this Section 2.10, in lieu of delivering a new Series D Bond for which principal has or is about to become due for a Series D Bond which has been mutilated, lost, destroyed or stolen, the Paying Agent may make payment of such Series D Bond in accordance with its terms.

Section 2.11. *Institution of Judicial Validation Proceedings.* The Board of Trustees hereby authorizes the filing of an action to determine the validity of the Series D Bonds, this Resolution and related matters in the Superior Court of Los Angeles County, under the provisions of Sections 860 *et seq.* of the Code of Civil Procedure of the State of California. Jones Hall, A Professional Law Corporation, as bond counsel to the District for the Series D Bonds, is hereby directed, to prepare and cause to be filed and

prosecuted to completion all proceedings required for the judicial validation of the Series D Bonds, this Resolution and related matters.

Section 2.12. Approval of Additional Documents. Upon completion of the validation action authorized under Section 2.11, the District Representative shall cause the following to be submitted to the Board of Trustees for final approval: (i) the Official Notice of Sale for the Series D Bonds, (ii) a Preliminary Official Statement relating to the Series D Bonds, and (iii) such other agreements and documents as shall be necessary or convenient to implement the issuance, sale and delivery of the Series D Bonds.

The proceeds from the sale of the Series D Bonds, to the extent required pursuant to Section 3.02(b), shall be deposited in and credited to the

Building Fund, and shall be expended by the District solely for the acquisition or improvement of real property for which the Series D Bond proceeds are authorized to be expended pursuant to the Bond Proposition, and for payment of Costs of Issuance. All interest and other gain arising from the investment of amounts deposited to the Building Fund shall be retained in the Building Fund and used for the purposes thereof. At the Written Request of the District filed with the County, any amounts remaining on deposit in the Building Fund and not needed for the purposes thereof shall be withdrawn from the Building Fund and transferred to the Debt Service Fund, to be applied to pay the principal of and interest on the Series D Bonds.

ARTICLE IV

SECTION 4.01. *Security for the Series D Bonds.* The Series D Bonds shall be general obligations of the District payable from the levy of *ad valorem* taxes upon all property within the District subject to taxation by the District, without limitation as to rate or amount, for the payment of the Series D Bonds and the interest and redemption premium (if any) thereon. The District hereby directs the County to levy on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Series D Bonds are Outstanding in an amount sufficient to pay the principal of and interest and redemption premium (if any) on the Series D Bonds when due, including the principal of any Term Series D Bonds upon the mandatory sinking fund redemption thereof pursuant to Section 2.03(b), which moneys when collected will be placed in the Debt Service Fund.

The principal of and interest and redemption premium (if any) on Series D Bonds shall not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents or employees thereof, and neither the County, the State of California, any of its political subdivisions nor any of the officers, agents or employees thereof shall be liable thereon. In no event shall the principal of and interest and redemption premium (if any) on Series D Bonds be payable out of any funds or properties of the District other than *ad valorem* taxes levied upon the taxable property in the District.

SECTION 4.02. *Debt Service Fund.* The District hereby directs the Treasurer and Tax Collector of the County to establish, hold and maintain a fund to be known as the "Rosemead School District Series D General Obligation Bond Debt Service Fund", which shall be maintained by the County as a separate account, distinct from all other funds of the County and the District. All taxes levied by the County, as directed by the District herein, for the payment of the principal of and interest and premium (if any) on the Series D Bonds in accordance with Section 4.01 shall be deposited in the Debt

Service Fund by the County promptly upon apportionment of said levy. The Debt Service Fund shall be pledged for the payment of the principal of and interest on the Series D Bonds when and as the same become due, including the principal of any Term Series D Bonds required to be paid upon the mandatory sinking fund redemption thereof pursuant to Section 2.03(b). The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest and redemption premium (if any) on the Series D Bonds as the same become due and payable, shall be transferred by the County to the Paying Agent upon the Written Request of the District filed with the County, as required to pay the principal of and interest and redemption premium (if any) on the Series D Bonds.

If, after payment in full of the Series D Bonds, any amounts remain on deposit in the Debt Service Fund, such amounts shall be transferred by the County to the general fund of the District, upon the Written Request of the District filed with the County, to be applied solely in a manner which is consistent with the requirements of applicable state and federal tax law.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the fund or account from which such investment was made, and shall be expended for the purposes thereof. The District covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing proceeds of the Series D Bonds, shall be acquired and disposed of at the Fair Market Value thereof. For purposes of this Section 4.03, the term "Fair Market Value" shall mean, with respect to any investment, the price at which a willing buyer would purchase such investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as described above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security - State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

SECTION 5.01. *Punctual Payment.* The District will punctually pay, or cause to be paid, the principal of and interest and redemption premium (if any) on the Series D Bonds, in strict conformity with the terms of the Series D Bonds and of this Resolution, and it will faithfully observe and perform all of the conditions, covenants and requirements of this Resolution and of the Series D Bonds. Nothing herein contained shall prevent the District from making advances of its own moneys howsoever derived to any of the uses or purposes permitted by law.

SECTION 5.02. *Extension of Time for Payment.* In order to prevent any accumulation of claims for interest after maturity, the District will not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Series D Bonds and will not, directly or indirectly, approve any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the District, such claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Resolution, except subject to the prior payment in full of the principal of all of the Series D Bonds then Outstanding and of all claims for interest which shall not have so extended or funded.

SECTION 5.03. *Books and Accounts; Financial Statement.* The District will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the District in which complete and correct entries shall be made of all transactions relating to the Project. Such books of record and accounts shall at all times during business hours be subject to the inspection of the Paying Agent and the Owners of not less than ten percent (10%) in aggregate principal amount of the Series D Bonds then Outstanding, or their representatives authorized in writing.

SECTION 5.04. *Protection of Security and Rights of Series D Bond Owners.* The District will preserve and protect the security of the Series D Bonds and the rights of the Series D Bond Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Series D Bonds by the District, the Series D Bonds shall be incontestable by the District.

SECTION 5.05. *Tax Covenants.*

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Series D Bonds are not so used as to cause the Series D Bonds to satisfy the

private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Series D Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the County or otherwise, any action with respect to the proceeds of the Series D Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Series D Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Series D Bonds from the gross income of the Owners of the Series D Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The District shall calculate or cause to be calculated excess investment earnings with respect to the Series D Bonds which are required to be rebated to the United States of America pursuant to Section 148(f) of the Tax Code, and shall pay the full amount of such excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required pursuant to the Tax Code, in the event and to the extent such Section 148(f) is applicable to the Series D Bonds. Such payments shall be made by the District from any source of legally available funds of the District. The District shall keep or cause to be kept, and retain or cause to be retained for a period of six (6) years following the retirement of the Series D Bonds, records of the determinations made pursuant to this subsection (e). In order to provide for the administration of this subsection (e), the District may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the District may deem appropriate.

SECTION 5.06. *Continuing Disclosure.* The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by a District Representative and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered a default by the District hereunder or under the Series D Bonds; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Series D Bonds may, take such

actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

SECTION 5.07. *Further Assurances.* The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Series D Bonds of the rights and benefits provided in this Resolution.

ARTICLE VI

THE PAYING AGENT

SECTION 6.01. *Appointment of Paying Agent.* The Treasurer and Tax Collector of the County is hereby appointed to act as Paying Agent for the Series D Bonds and, in such capacity, shall also act as registration agent and authentication agent for the Series D Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Series D Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by executing and delivering to the District a certificate to that effect.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section 6.01 the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Series D Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent shall become effective upon acceptance of appointment by the successor Paying Agent.

SECTION 6.02. *Paying Agent May Hold Series D Bonds.* The Paying Agent may become the owner of any of the Series D Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

SECTION 6.03. *Liability of Agents.* The recitals of facts, covenants and agreements herein and in the Series D Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Series D Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent shall not be liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 6.04. *Notice to Paying Agent.* The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in

respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

SECTION 6.05. *Compensation; Indemnification.* The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

ARTICLE VII

SECTION 7.01. *Remedies of Series D Bond Owners.* Any Series D Bond Owner shall have the right, for the equal benefit and protection of all Series D Bond Owners similarly situated:

(a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Series D Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;

(b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Series D Bond Owners' rights; or

SECTION 7.02. *Remedies Not Exclusive.* No remedy herein conferred upon the Owners of Series D Bonds shall be exclusive of any other remedy and that each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereafter conferred on the Series D Bond Owners.

ARTICLE VIII

AMENDMENT OF THIS RESOLUTION

SECTION 8.01. *Amendments Effective Without Consent of the Owners.* For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners of the Series D Bonds, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To confirm, as further assurance, any pledge under, and to subject to any lien or pledge created or to be created by, this Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(d) To make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Series D Bonds.

SECTION 8.02. *Amendments Effective With Consent of the Owners.* Any modification or amendment of this Resolution and of the rights and obligations of the District and of the Owners of the Series D Bonds, in any particular, may be made by a Supplemental Resolution, with the written consent of the Owners of a majority in aggregate principal amount of the Series D Bonds Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of maturity of the principal of any Outstanding Series D Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, or shall reduce the percentage of Series D Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change any of the provisions in

Section 7.01 relating to Events of Default, or shall reduce the amount of moneys pledged for the repayment of the Series D Bonds without the consent of all the Owners of such Series D Bonds, or shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. *Benefits of Resolution Limited to Parties.* Nothing in this Resolution, expressed or implied, is intended to give to any person other than the District, the County, the Paying Agent and the Owners of the Series D Bonds, any right, remedy, claim under or by reason of this Resolution. Any covenants, stipulations, promises or agreements in this Resolution contained by and on behalf of the District shall be for the sole and exclusive benefit of the County, the Paying Agent and the Owners of the Series D Bonds, as their interest may appear.

SECTION 9.02. *Defeasance.*

(a) Payment of Series D Bonds; Discharge of Resolution. Series D Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

(i) by paying or causing to be paid the principal or redemption price of and interest on such Series D Bonds, as and when the same become due and payable;

(ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Series D Bonds; or

(iii) by delivering such Series D Bonds to the Paying Agent for cancellation by it.

If the District shall pay all Outstanding Series D Bonds and shall also pay or cause to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Series D Bonds shall not have been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In such event, upon request of

the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it pursuant to this Resolution which are not required for the payment or redemption of Series D Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Series D Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Series D Bond (whether upon or prior to its maturity or the redemption date of such Series D Bond), provided that, if such Series D Bond is to be redeemed prior to maturity, notice of such redemption shall have been given as provided in Section 2.03 or provision satisfactory to the Paying Agent shall have been made for the giving of such notice, then all liability of the District in respect of such Series D Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Series D Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Series D Bonds, the money or securities so to be deposited or held may be held by the Paying Agent or by any other fiduciary. Such money or securities may include money or securities held by the Paying Agent in the funds and accounts established pursuant to this Resolution and shall be:

(i) lawful money of the United States of America in an amount equal to the principal amount of such Series D Bonds and all unpaid interest thereon to maturity, except that, in the case of Series D Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption shall have been given as provided in Section 2.03 or provision satisfactory to the Paying Agent shall have been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Series D Bonds and all unpaid interest thereon to the redemption date; or

(ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all

unpaid interest to maturity, or to the redemption date, as the case may be, on the Series D Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Series D Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in Section 2.03 or provision satisfactory to the Paying Agent shall have been made for the giving of such notice.

(d) Transfer of Funds to District After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Series D Bonds and remaining unclaimed for one (1) year after the principal of all of the Series D Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or one (1) year after the date of deposit of such moneys if deposited after said date when all of the Series D Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Series D Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Series D Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

SECTION 9.03. *Execution of Documents and Proof of Ownership by Series D Bond Owners.* Any request, declaration or other instrument which this Resolution may require or permit to be executed by Series D Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Series D Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Series D Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Series D Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Series D Bond shall bind all future Owners of such Series D Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

SECTION 9.04. *Waiver of Personal Liability.* No Board of Trustees member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Series D Bonds; but nothing herein contained shall relieve any such Board of Trustees member, officer, agent or employee from the performance of any official duty provided by law.

SECTION 9.05. *Limited Duties of County; Indemnification.* The County (including its officers, agents and employees) shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Series D Bonds, no implied covenants or obligations shall be read into this Resolution against the County (including its officers, agents and employees).

The District further agrees to indemnify, defend and save the County (including its officers, agents and employees) harmless against any and all liabilities, costs, expenses, damages and claims which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 9.06. *Destruction of Canceled Series D Bonds.* Whenever in this Resolution provision is made for the surrender to the District of any Series D Bonds which have been paid or canceled pursuant to the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Series D Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Series D Bonds therein referred to.

SECTION 9.07. *Partial Invalidity.* If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Series D Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief business official of the District in trust for the benefit of the Series D Bond Owners.

SECTION 9.08. *Execution of Documents.* The Superintendent, the Business Manager, the Secretary of the Board and any and all other officers of the District are each authorized and directed in the name and on behalf of the District to execute and deliver any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Series D Bonds. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf in the case such officer shall be absent or unavailable.

SECTION 9.09. *Effective Date of Resolution.* This Resolution shall take effect from and after the date of its passage and adoption.

REGISTERED OWNER:

PRINCIPAL AMOUNT:

The Rosemead School District (the "District"), located in Los Angeles County, California (the "County"), for value received, hereby promises to pay to the Registered Owner named above, or registered assigns, the Principal Amount on the Maturity Date, each as stated above, and interest thereon, calculated on a 30/360 day basis, until the Principal Amount is paid or provided for, at the Interest Rate stated above, such interest to be paid on February 1 and August 1 of each year, commencing August 1, 2009 (the "Interest Payment Dates"). This Bond will bear interest from the Interest Payment Date next preceding the date of authentication hereof, unless (a) it is authenticated as of a business day following the 15th day of the month immediately preceding any Interest Payment Date and on or before such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (b) it is authenticated on or before July 15, 2009, in which event it shall bear interest from the Dated Date set forth above. Principal, interest and redemption premium (if any) are payable in lawful money of the United States of America to the person in whose name this Bond is registered (the "Registered Owner") on the Bond registration books maintained by the Paying Agent, initially U.S. Bank National Association, as agent of the Treasurer and Tax Collector of the County of Los Angeles. Principal hereof and any redemption premium hereon are payable upon presentation and surrender of this Bond at the office of the Paying Agent.

Interest hereon is payable by check mailed by the Paying Agent on each Interest Payment Date to the Registered Owner of this Bond by first-class mail at the address appearing on the Bond registration books at the close of business on the 15th day of the calendar month next preceding such Interest Payment Date (the "Record Date"); *provided, however*, that at the written request of the registered owner of Bonds in an aggregate principal amount of at least \$1,000,000, which written request is on file with the Paying Agent prior to any Record Date, interest on such Bonds shall be paid on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as shall be specified in such written request.

This Bond is one of a series of \$5,000,000 of Bonds issued for the purpose of raising money for the acquisition, construction and rehabilitation of school facilities, and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, and the requisite two-thirds vote of the electors of the District cast at a special bond election held on November 7, 2000, upon the question of issuing Bonds in the amount of \$30,000,000, and pursuant to the resolution of the Board of Trustees of the District adopted on January 15, 2009 (the "Bond Resolution"). This Bond and the issue of which this Bond is a part are payable as to both principal and interest from the proceeds of the levy of *ad valorem* taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount.

The principal of and interest and redemption premium, if any, on this Bond does not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents and employees thereof, and neither the County, the State of California, any of its political subdivisions, nor any of the officers, agents and employees thereof shall be liable hereon. In no event shall the principal of and interest and redemption premium, if any, on this Bond be payable out of any funds or properties of the District other than *ad valorem* taxes levied upon all taxable property in the District.

The Bonds of this issue are issuable only as fully registered Bonds in the denominations of \$5,000 or any integral multiple thereof. This Bond is exchangeable and transferable for Bonds of other authorized denominations at the office of the Paying Agent, by the Registered Owner or by a person legally empowered to do so, upon presentation and surrender hereof to the Paying Agent, together with a request for exchange or an assignment signed by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. Any tax or governmental charges shall be paid by the transferor. The District and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this Bond for the purpose of receiving payment of or on account of principal or interest and for all other purposes,

and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

The Bonds maturing on or before August 1, 20__ are not subject to redemption prior to their respective stated maturities. The Bonds maturing on or after August 1, 20__ are subject to redemption prior to maturity as a whole, or in part among maturities on such basis as shall be designated by the District and by lot within a maturity, at the option of the District, from any available source of funds, on August 1, 20__, and on any Interest Payment Date thereafter, at a redemption price (expressed as a percentage of the principal amount of Series D Bonds to be redeemed) as set forth in the following table, together with accrued interest thereon to the date fixed for redemption.

The Bonds maturing on August 1, 20__ (the "Term Bonds") are also subject to mandatory sinking fund redemption on August 1 in the years, and in the amounts, as set forth in the following table, at a redemption price equal to one hundred percent (100%) of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption; *provided, however*, that if some but not all of the Term Bonds have been redeemed pursuant to the preceding paragraph, the aggregate principal amount of Term Bonds to be redeemed under this paragraph shall be reduced on a pro rata basis in integral multiples of \$5,000, as shall be designated pursuant to written notice filed by the District with the Paying Agent.

RESOLUTION NO. 09-10/11

**RESOLUTION PROVIDING FOR THE SALE OF GENERAL
OBLIGATION BONDS, ELECTION 2000, SERIES D, IN THE
AGGREGATE PRINCIPAL AMOUNT OF \$5,000,000, AND APPROVING
PRELIMINARY OFFICIAL STATEMENT AND RELATED ACTIONS IN
CONNECTION THEREWITH**

WHEREAS, a special bond election was duly and regularly held in the Rosemead School District (the "District") on November 7, 2000 for the purpose of submitting to the qualified electors of the District the question whether bonds should be issued in the maximum aggregate principal amount of \$30,000,000 (the "Bonds"); and

WHEREAS, more than two-thirds of the votes cast at said election were in favor of the issuance of the Bonds; and

WHEREAS, the Board of Trustees of the District is authorized to provide for the issuance and sale of any series of Bonds on behalf of the District pursuant to the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code, commencing with Section 53506 of said Code (the "Bond Law"); and

WHEREAS, the District issued and sold the first series of Bonds (the "Series A Bonds") under the Bond Law in the aggregate principal amount of \$8,000,000 on May 16, 2001;

WHEREAS, the District issued and sold the second series of Bonds (the "Series B Bonds") under the Bond Law in the aggregate principal amount of \$10,000,000 on May 26, 2004;

WHEREAS, the District issued and sold the third series of Bonds (the "Series C Bonds") under the Bond Law in the aggregate principal amount of \$7,000,000 on July 26, 2007;

WHEREAS, the Board of Trustees determined, by Resolution No. 08-09/22, adopted January 15, 2009, entitled "Resolution Providing For The Issuance And Sale Of General Obligation Bonds, Election 2000, Series D, In The Aggregate Principal Amount Of \$5,000,000" (the "Issuance Resolution"), to initiate proceedings for the issuance and sale of the fourth and final series of Bonds under the Bond Law in the aggregate principal amount of \$5,000,000;

NOW, THEREFORE, the Board of Trustees of the District hereby finds, determines, declares and resolves as follows:

Section 1 Ratification and Supplementation of Issuance Resolution. The Issuance Resolution is hereby ratified and supplemented as provided herein.

Section 2. Sale of the Series D Bonds. Section 3.01 of the Issuance Resolution shall be amended in its entirety to read as follows:

(a) The Series D Bonds shall be offered for sale and sold in accordance with the provisions of the Official Notice of Sale, in substantially the form on file with the Superintendent. The Superintendent or the Superintendent's designee (each, a "District Representative") are hereby individually authorized to approve any changes to the Official Notice of Sale which are recommended by the District's financial advisor, Dale Scott & Company (the "Financial Advisor").

The District Board has decided to sell the Series D Bonds by competitive bid for the following reasons:

- As a "bank qualified" transaction, the Series D Bonds will attract investors from a large pool of banks and underwriters with funds available to invest, due to the various government assistance programs for financial institutions.
- While the market for larger transactions has been stagnant and mostly negotiated since the crisis point in mid-September 2008, many bank qualified transactions have successfully attracted multiple bids in competitive sales during the same time period.
- Multiple bidders ensure the lowest possible interest costs to the District's taxpayers.

(b) Notwithstanding the provisions of Section 2(a), the Financial Advisor may inform the District that market conditions for selling the Series D Bonds competitively are unfavorable, such as the following:

- Although bank-qualified bonds have been sold successfully by competitive sale, the bond market has been in turmoil and may experience further set-backs that may discourage investors to participate in competitive sales.
- A negotiated sale would ensure sufficient attention and commitment from investors to complete the bond sale as planned.

In such event, based on the reasons stated above, the Superintendent may determine, based on consultation with and the recommendation of the Financial Advisor, that a negotiated sale is in the best interest of the District. Upon such recommendation and determination, and with the concurrence of the President of the Board, the Superintendent may execute, on behalf of the District, a Purchase Contract for the sale of the Series D Bonds with an underwriter to be identified by the Financial Advisor through a competitive process, rather than sell the Series D Bonds competitively.

(c) Dale Scott & Company has been selected to act as financial advisor to the District, and Jones Hall, A Professional Law Corporation, has been selected as the District's bond counsel.

The estimated costs of issuance associated with the bond sale are \$145,000, which includes the financial advisor and bond counsel fees, costs of printing the Official Statement, rating agency fees, paying agent fees, and other related costs. In addition, an underwriter's discount estimated at \$75,000, and bond insurance premium (if available and which produces

interest cost savings) of \$70,000, will be incurred by the issuance of the Series D Bonds. An estimate of the itemized fees and expenses is on file with the Superintendent.

Section 3. Approval of Preliminary and Final Official Statement. The form of Preliminary Official Statement as presented to this meeting is hereby approved. The District Representative is hereby authorized and directed, for and on behalf of the District, to execute all certificates necessary to deem final the Preliminary Official Statement as of its date, with the exception of certain final pricing and related information. The District Representative is hereby authorized and directed, for and on behalf of the District, to execute and deliver the final Official Statement. The use and distribution of said Preliminary Official Statement and use and distribution of the final Official Statement in connection with the sale of the Series D Bonds is hereby ratified and approved.

Section 4. Designation Under Section 265(b)(3). The District hereby designates the Series D Bonds as "qualified tax-exempt obligations" within the meaning of section 265(b)(3) of the Tax Code. The District represents, covenants and warrants that it has not and will not issue tax-exempt obligations (including the Series D Bonds) in the aggregate face amount of more than Thirty Million Dollars (\$30,000,000.00) during the 2009 calendar year.

Section 5. Delegation of Authority to District Representative. The District Representative is hereby authorized and directed to execute, sign and deliver any and all approvals, certificates, statements, requests, requisitions and orders of the District in connection with the sale and issuance of the Series D Bonds, the purchase of the Series D Bonds and the other transactions described herein. The District Representative may authorize such other officers of the District as they deem appropriate to undertake any of the actions which he is authorized or directed to undertake pursuant hereto

Section 6. General Authority. The officers of the District are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to consummate the transactions described herein or to otherwise effectuate the purposes of this resolution, including preparing, or causing to be prepared, and executing all appropriate disclosure documents relating to the Series D Bonds and agreements necessary to comply with the disclosure requirements of Rule 15c2-12, as amended, of the Securities and Exchange Commission. Any such actions previously taken by such officers are hereby ratified and confirmed.

Section 7. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, such invalidity or unenforceability shall not affect any remaining provisions hereof.

Section 8. Effective Date. This resolution shall take effect from and after the date of its passage and adoption.
